and continue to build positive relationships by delivering excellence

Project Description

The main aim of this project was to create a striking entrance and reception for this modern office. All the wall panelling require carefully detailed junctions to get a seamless look, the panels have been manufactured with acoustic backing panels and solid oak slats, the Oak has clear finish to B-s1,d0 classification according to the UNE-EN 13501-1:2007 standard.

Coulson Joinery also manufacture shaped reception furniture and planters with Oak veneer, Terrazzo tops and rendered finish to main reception counter.
